MEMORANDUM FOR: Deputy Director of Communications

SUBJECT : Equipment Board Meeting

It is requested that an Equipment Board meeting be convened, preferably during the week of 17 December. This Staff has the following four agenda items for consideration:

ILLEGIB

a. acceptance and approval of proceeding with hardware procurement of an RFI leak detector to test shielded enclosures;

b. the approval of the KD-2 (crypto key card dispenser) which can be used for KW-26, KG-13, KW-7, * *Done* KY-3 key cards;

c. approval of the TEMPEST-free KY-28 power supply - because of continuing TEMPEST problems with the KY-28 configured systems OC-CS undertook a development program to produce a pre-production model and design package for a TEMPEST-free power supply. The results are being proposed to the Board for approval and adaption as a standard item; * *Done*

d. KG-13 modification - this item is being discussed by the Executive Board to confirm OC's interest in retaining the use of the KG-13 on a long-term basis. Assuming this is accepted the next step will be the approval of a technical program to accomplish the modifications. At the meeting we hope to present some cost figures and alternatives. *Done*

Chief, Communications Security Staff, OC
